ENICE

Come una tela bianca la sperimentazione parte dal colore e si spinge fino a trovare nuove forme di utilizzo del materiale.

E' così che MR ART DESIGN fa del vetro non una semplice porta,
ma uno stile di vita che si traduce in un DISEGNO COERENTE dello spazio architettonico
che sa ancora di artigianale.

Lo studio del vetro si apre anche a nuovi materiali, in particolare l'alluminio, e diventa così un
RACCONTO DELL'ABITARE.

La porta di MR ART DESIGN: un autentico e vivace percorso progettuale che accoglie classici e nuovi progetti,
anticipa tendenze e spesso cambia i codici dell'abitare. Dalla leggerezza,
assoluta solidità e affidabilità nel tempo dell'ALLUMINIO, delle trasparenze, riflessi,
giochi cromatici e di superfici perfettamente lisce o vellutate del VETRO,
dalla naturalezza e colore delle diverse essenze del LEGNO insieme all'energia dei colori laccati.
I materiali primari sono costantemente reinterpretati per presentare
a un pubblico vasto proposte esteticamente vaste.

*As on a black canvas, the experimentation starts from the color and goes so far as to find new ways
the use the material. And that's why MR ART DESIGN means not just a glass door, but a lifestyle that
results in a coherent architectural space that still tastes homemade.*

*The study on glass also opens to new materials, especially aluminum, and this became a real
TALE OF LIVING CONTEMPORARY.*

*The door of MR ART DESIGN: an authentic and lively design process that includes classic and new
projects, anticipates trends and often change the codes of living. Lightness, strength and absolute
reliability ALUMINUM. transparencies, reflections, color effects and perfectly smooth surfaces or
velvety GLASS, the naturalness and warmth of the various WOOD along with the energy of
distinct proposals to a wide audience.*
